

Total number of shares and voting rights

Date	Total number of shares composing the share capital	Total number of voting rights
April 17, 2015*	266,893,711	Theoretical number of voting rights: 283,082,249 Number of exercisable voting rights**: 282,499,584

(*) Publication date in the French Journal of Mandatory Statutory Notices (BALO) of the prior notice convening the Annual General Meeting

(**) After deduction of shares without voting rights

A proposal will be submitted to the Special Meeting of Shareholders holding double voting rights and subsequently to the Combined General Meeting of Shareholders on May 29, 2015, to cancel double voting rights. The total number of shares entitling to double voting rights amounts to 16,188,538 at April 17, 2015. Shareholders are requested individually to ascertain the possible impact for them of this cancellation of double voting rights following the outcome of both Shareholder's meetings. We would like to remind you that, in the event of a variation below or above defined thresholds, a declaration should be filed with the AMF in accordance with applicable regulations and with the Company in accordance with its Articles of Association.

The variation of the total number of shares since the latest release of financial statements is reminded below:
